Shri K. Chandrasekhar Rao
Hon'ble, Chief Minister of Telangana

CHAIRMAN MESSAGE

We have been deeply influenced by the human values and cultural heritage of the land.

In pursuit of the mission of giving quality higher education in medical sciences, RVMIMS & RC and School of Nursing has been established under RVM Charitable Trust with "Transparency in Administration". The College and the hospital are housed in beautiful lush green, serene campus ideal for learning. The college aims to provide all the required infrastructure and facilities to bring out all round development of medical students.

The institute strongly condemns all kinds of inhuman activities through establishment of security measures. Hospital provides all kinds of health services at an affordable cost to the needs of the society and there by provides learning material to the medical & nursing students. The institute constantly strives for the promotion of positive interpersonal skills and equality among its students irrespective of race, caste and community. The institute promotes self learning among its students by providing the required facility.
